

Greetings IE-CHI Community Partners!

It is time to support IE residents in securing appropriate health coverage and services during the:

Medicare Annual Enrollment period: October 15-December 7th

Covered California Open Enrollment period: November 1- January 31

With the significant impact of COVID-19 on employment and other financial issues ensuring appropriate and affordable health coverage for children, adults, families and seniors is both essential and challenging!

IE-CHI partners are here to support you and assist your clients in securing the health coverage and services they need!

For client assistance in securing health coverage please contact IE-CHI Partners:
